Records Requested:

Financial Reporting

I am requesting the FULL accounting of the PROPOSED FY 2019 budget. Meaning the full 400-500 pages that the council members receive of the proposed budget and that should be available to the public..... not the short version of 79 pages that are currently published. I am only requesting a link to where the city has it posted for public to review before tonight's final passage & second reading. Thank you, Melissa Jewett

Your request will be forwarded to the relevant City department(s) to locate the information you seek and to determine the volume and any costs associated with satisfying your request. You will be contacted about the availability and/or provided with copies of the records in question.
