

STATE REPRESENTATIVE  
**JASON ISAAC**

Texas District 45 ★ Republican

FORMER STATE REPRESENTATIVE  
**PATRICK ROSE**

Texas District 45 ★ Democrat

September 25, 2018

Dear Neighbors,

You may be surprised to see our names together on this letter. Over the past 16 years, we have had the great honor of representing our district in the Texas House. One of us is a Democrat and the other is a Republican, and we ran against each other for this office. We don't always agree on questions of public policy, but we are in 100% agreement on this: Ken Strange needs to be our next state representative.

Ken Strange represents the very best our district has to offer. He served our nation in the U.S. Air Force and is director of a local emergency medical service. He has served for 10 years as a school board trustee, working to lead and improve our public schools. Ken knows what it takes to balance a budget and deliver a high level of service, and he has a record of local leadership on groundwater protection and road improvements.

Time and again, Ken has demonstrated his strong character through acts of service, bravery, and local leadership. When the Memorial Day floods occurred in 2015, Ken's leadership was called upon to conduct water rescue missions and coordinate response and recovery efforts. When our area needed to modernize its 911 emergency communications, Ken played a leading role. He was also a leader in developing new school safety protocols that have been called "the roadmap" for safer schools all across the state.

It's no wonder Ken Strange was twice named Community Volunteer and Civic Leader of the Year by one of our local newspapers. Now ask yourself this question: How often do you have the chance to vote for someone like this? At a time when politics is so divided, and confidence in our public institutions is at a record low, wouldn't it be nice to vote for someone with the character, experience, and dedication of Ken Strange?

We trust that Ken will fight for what matters: supporting public education, protecting our groundwater, improving our roads and highways, making our schools and communities safer, creating local jobs, and finding ways to reduce the burden on property taxpayers. These are not partisan issues, they are community issues, and they matter a great deal to our future quality of life. In this important election, please join us in putting our community's interests ahead of special interests, and vote for Ken Strange for State Representative.

Sincerely,

A handwritten signature in black ink that reads "Patrick M. Rose".
